INSTALLMENT AGREEMENT

Customer: _____

Account #: _____

Address: _____

AN AGREEMENT made between Wylie Northeast Special Utility District and the undersigned Customer to be effective on the date of acceptance by the district stated below. By execution of this agreement, the undersigned Customer agrees to pay to the district \$_____ per month on the first (1st) day of each month for _____ consecutive months until the total amount of \$_____ is paid in full for water utility service at the address above. I understand and acknowledge that the monthly payments described herein will be included in my monthly water bills in addition to applicable monthly service charges. Any fees normally assessed by the district on an unpaid customer account balance shall apply to the declining unpaid balance. Any failure by the Customer to fulfill the terms of this agreement shall entitle the district to disconnect the Customer's service in accordance with the disconnection procedures in the district's Rate Order.
