

Wylie Northeast S.U.D.

Office Hours 8am-4pm Monday-Friday

Tel: 972-442-2075

December 2016

Points of Interest

- New Irrigation Rules
 - New Construction
 - District Election
 - Holiday Greetings

New Irrigation Rules

Chapter 344, the Landscape Irrigation Program Regulations, apply to all irrigation systems. These regulations require the use of a Reduced Pressure Principle Backflow Prevention Assembly (RPZ) on those irrigation systems which are installed at sites which also have an On-Site Sewage Facility (OSSF) (Aerobic Systems). This is due to the significant increase in the contamination hazard posed by the OSSF.

New Construction

Wylie NE SUD completed moving our waterlines on both sides of Parker Rd from Country Club to Drain Drive for the Texas Dept. of Transportation. We will need to move more of our waterlines on Parker Road in the future to accommodate the widening of Parker Road from Drain Drive to the Wylie city limits. As the Inspiration development grows in size and population, Wylie NE SUD will need to build water pumping station and another elevated water storage tank. Both of these projects will be constructed in the Inspiration addition. Wylie NE SUD will also upgrade the pumps at our office. As the system population grows, Wylie NE SUD will have many more projects coming to ensure the future needs of our system.

District Election

In this year's election, we had one Director Position presumptively on the ballot. The incumbent for that position, Jimmy Beach, ran unopposed in the race. Jimmy Beach has been serving on the Wylie Northeast Board for 16 years. He brings a strong sense of business and financial responsibility to the District Board. We thank you for your dedication to the success of the District and look forward to another 4 years.

Holiday Greetings

Seasons are changing and the colder temperatures are here. The holiday season is upon us. To stay up to date on our closings and the latest news, please visit our website www.wylienortheastwater.com. We strive to keep the latest information on our website to keep you informed. Remember also, you can set up an account online to pay your bill and there is no service or convenience fee. You can also sign up for free alerts via our website. Merry Christmas and Happy New Year from the Wylie Northeast Staff!
